

SCHEDULE

SEPTEMBER

- There will be NO meeting on Monday, September 7 (Labor Day)
- We will be holding a Board Meeting on Monday, September 14 at 11:15 a.m. and District Governor Ingrid Brown, District Governor-Elect Stephen May [a former Winthrop resident and WHS alumni], and Assistant District Governor Helen Michel will be in attendance. Please make every effort to attend this meeting and welcome the District Governor to Winthrop. The Club will be presenting DG Brown with our Club goals and issuing her a small token of appreciation.
- Expect to hear from more of our local community members and officials at upcoming meetings as we continue our series of Winthrop speakers. Superintendent Steve Jenkins, Interim Police Chief Terry Delehanty, and the Food Pantry's Bev Phipps have promised to come and share information with our members.

OCTOBER

- There will be a Board Meeting on Monday, October 5 at 11:15 a.m.
- October begins our kick-off of our Winthrop Rotary Polio Campaign. We will be conducting a community-wide effort to raise funds for the Rotary International Polio Eradication project. Our goal this year is to raise \$1,000. By reaching out to the business community and the schools we hope to achieve, and possibly surpass, this goal. World Polio Day is Saturday, October 24.
- Monday, October 12 is Columbus Day and there will be no meeting.
- Rachel Williams, a Rotarian from Ipswich, will be our featured speaker on Monday, October 26. Rachel lived abroad for many years and has launched an Adopt-A-School Literacy Program to help promote peace in the world through global literacy.

NOVEMBER

- There will be a Board Meeting on Monday, November 2 at 11:15 a.m.
- November is a month of Remembrance and Thanksgiving. Let us remember and give thanks for all those deceased members of the Winthrop Rotary Club and Rotary International who worked to make the World a better place for all its inhabitants.

PRESIDENT'S MESSAGE

In order to keep all of our members in the loop, the Rotary Newsletter, the Nor'easter, will continue to be published and mailed to all Winthrop Rotarians and District officials on a quarterly basis. Phyllis Fluets continues to serve us well in her capacity as Bulletin Editor. Although many of us use the www.winthroprotary.org site to obtain information on meeting dates, speakers, and the like, I think it is important to make sure that all interested Rotarians receive a hard copy of our agenda and efforts. The Nor'easter documents what we have done and becomes an archive of the Club's history. Victor will be working on a history of Winthrop Rotary and anyone with documents, banners, photographs, or other Rotary paraphernalia should contact him with the information.

I urge all of you to continue to seek out members of the community who may be interested in becoming Rotarians. It is important not only to attract new members, but to nurture and support them, as well as retain those members we currently have. Remember "The Future of Rotary is in Your Hands."

Yours in service,
Pat Milano
